Fort Roberdeau Association

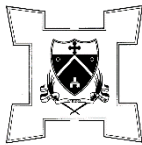

Advancing the Education of Pennsylvania's Frontier Revolutionary War Fort

Give the Gift of American Independence! – When you become a Fort Roberdeau Association member, you are preserving local history, maintaining Pennsylvania's frontier Revolutionary War fort and providing educational programs. Your support ensures access to the fort and educational resources for all.

Fort Roberdeau Historic Site and Natural Area is a county park located in Blair County, Pennsylvania. We offer a variety of activities and services to the community. We have picnic tables, pathways and 230 acres of public land. We are best known for the Revolutionary War fort located here. We offer tours of the fort (May-October) and host special events.

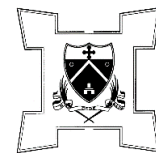

The Fort Roberdeau Association (FRA) is a non-profit organization created to raise funds to support programs at the fort, to educate the public and to maintain the site and its facilities. The mission is to preserve the site and to provide interpretation about the fort, the frontier inhabitants, the surrounding area and the fort's place in history.

We ask you to join the FRA and support our mission. **All memberships include unlimited admission to the Fort for members only (excluding 18th Century Dinner and Haunted Tours), a 10% discount in the gift shop (excluding food and drinks) and an invitation to a members only social event.** Once a member, you will receive a FRA membership card and receive newsworthy updates of special events.
