# Fort Roberdeau Association

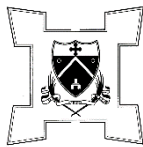

Advancing the Education of Pennsylvania's Frontier Revolutionary War Fort

*Give the Gift of American Independence!* – When you become a Fort Roberdeau Association member, you are preserving local history, maintaining Pennsylvania's frontier Revolutionary War fort and providing a variety of educational programs on history and the natural sciences. Your support ensures access to the fort, nature trails, and educational resources for all.

Fort Roberdeau Historic Site and Natural Area is a county park located in Blair County, Pennsylvania. We offer a variety of activities and services to the community. On 230 acres of public land, we have picnic tables, pathways, gardens, interpretive signage and the Mountain Lion Observatory for night sky viewing. We are best known for the reconstructed Revolutionary War fort located here. We offer tours of the fort (May-October) and host special events throughout the season.

The Fort Roberdeau Association (FRA) is a non-profit organization created to raise funds to support programs at the fort, to educate the public and to maintain the site and its facilities. The mission is to preserve the site and to provide interpretation about the fort, the frontier inhabitants, the fort's place in history, and the surrounding natural area.

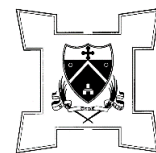

We ask you to join the FRA and support our mission. **All memberships include unlimited admission to tours of the fort for members only (excluding special and fund raising events), a 10% discount in the gift shop (excluding food and drinks), an invitation to a members only social event, and a FRA membership car decal.** The membership year runs from January 1 to December 31. Once a member, you will newsworthy updates of special events and benefits listed above.
